VOLUNTEER FORM – FOR EVERYONE, NOT JUST IN-SCHOOL VOLUNTEERS!

For 2017-2018 school year, we are asking EVERY parent (also interested grandparents, guardians, etc.) to fill out the attached volunteer form (Only one form per family is needed). Since many people do not anticipate being able to volunteer, but actually are able to volunteer in some way during the year, it is important we have this form on file. It contains the information required by the Derry Cooperative School Board.

All of the information on the front of the form, including signatures signifying that you have read the school volunteer policy and the bullying policy, is required by the School Board. **If you would like to volunteer during the school day or be contacted for at home opportunities, please fill out the back of the form as well.**

A checkmark in the box next to the “just in case” statement at the top of the form will insure that you will not be contacted by the volunteer coordinator. You may of course choose to volunteer for any classroom, PTA, field trips or field day opportunities that come up during the year.

If you have any questions, please contact Chris Haswell at chaswell@sau10.org, cwhaswell@comcast.net or South Range School 432-1219.

The Derry School Board requires that all volunteers who come into the school have completed a volunteer form. Your signature below indicates that you have provided the above information and read the Derry School Board policies on school volunteer expectations and on bullying.

These 2 policies can be found on the Derry School District web page – www.sau10.org. They both are located in the School Board section - Policies. School Volunteer Policy is Section I – Policy IJOC and Bullying is Section J – Policy JICK. <http://www.sau10.org/school-board/policies>
